

Brazil 2011

PREACHING, TEACHING, AND EMPOWERING THROUGH LOVE.

Here we go again!

We are thrilled to tell you that we have two trips already planned for 2011 ! Just the three of us will be leaving in a month and half for a ten day mission to Brazil. Then in June and July will go down with a team of thirteen (or plus).

Last year's trip was amazing with our team of eleven. We saw lives changed miraculously. We saw love encounter people like never before through power! As the team demonstrates the love of our Father through words of knowledge, prophecy, healing, counsel, encouragement, or simply a hug, we are seeing entire churches, businesses, and even governments changing before our eyes!

We want to especially thank those of you who have been apart of making these life changing events happen. Whether you were praying , giving financially, or actually being on the team, YOU have made a difference and will reap the harvest of the seed sown!! With that said, we want to invite you to continue to be apart of changing the world with us. We hope that you will join forces with us in 2011 and support at least one of these upcoming trips!!

The Pastor Connection Trip - February 28- March 9th

This trip is specifically for growing our relationship with the pastors down in Brazil. We will be meeting and praying for pastors of Campinas, Joinville, Florianopolis, and Sao Paulo, Brazil. We feel like this will help us better connect with the leadership there and increase our relationship with the church as a whole. We want this trip to also be about serving the Pastors and listening to their hearts for their churches.

For this trip we need to raise a small number of \$1,500.00 before February 15th.

Encountering Love “AGAIN” Trip -

This will be the third trip that we have taken a team along with us. Having a team increases the number of hearts we are able to reach. However, not only are the Brazilian hearts changed forever, but also the American hearts. The entire trip is life changing for both young and old, experienced and unexperienced. This trip is a journey into the heart of God for His BIG BIG world. The revelation of “He’s Got the Whole World in His Hands” comes alive when you are riding down the highways and you see millions of people who are without the necessities in life. Oh the joy and love they feel when they realize that GOD really does love them and sent these Americans all the way to them to bless them !

For this trip MLM needs to raise \$3,000.00. There are also thirteen team members who are all raising money to go and would greatly appreciate anything given towards their trip. The trip cost is \$1,800.00 per person.

If you are interested in giving financially to either trip you can send donation to the PO BOX below or through PAYPAL on our website.
